

RoundUp

An easy and
affordable option
for contributing
to good
causes in
Sun Prairie

Exactly as its name implies, the Sun Prairie Utilities RoundUp program collects voluntary donations by “rounding up” participating customers’ bills to the next whole dollar. (For example, a bill of \$54.63 would be rounded to an even \$55, with \$.37 going to the RoundUp.) These small, tax-deductible donations will be used to help meet some of the critical needs within the Sun Prairie Community.

Sun Prairie Utilities has identified the Sun Prairie Food Pantry and the American Cancer Society as two causes worthy of this support. Hungry families are a reality in Sun Prairie, and the Sun Prairie Food Pantry struggles to meet this growing need month after month.

Most everyone has been touched by cancer: family, friend, co-worker, or self. In 2007, SPU lost its Director of Finance to cancer. In Rachael’s memory, and in honor of all in a similar struggle, Sun Prairie Utilities participates in the American Cancer Society Relay For Life in Sun Prairie.

Should you choose to participate in the RoundUp, the maximum contribution per year would be \$11.88. The average contribution, on average, would be \$6 per year.

Call Sun Prairie Utilities at 837-5500 if you have any questions with this program, or, visit our website at www.sunprairieutilities.com
